 - The Art Shed has 250ml tubs for approx. \$11 each
 - These colour in Atelier (a superior brand) are more expensive.

 - Lemon yellow
 - Olive green
 - Light green
 - Hookers deep green

BRUSHES

Participants are encouraged to bring their own favourite brushes. However, if you wish to buy new, they are available for approximately:

- Brand - ROYMAC "Future Brush Round"(made in India) - Size # 2, 4, 6, 8 and 10.
- They're not expensive and should be available in Art Shed in Brisbane or at Officeworks.
- I suggest at least two of each size.

Notes

- Participants can either bring their own materials from home/studio if they have them or
 - if they want to buy them especially for this course, then total cost would be:
 - canvases - between \$80-200 depending on which canvases from above list you choose.
 - paints - \$121 if you choose 250ml Montmartre paint tubs
 - brushes - approx. \$30

For the life-modelling sketching classes, I will have a stock of paper/cardboard available for participants at approx. \$2 per sheet. I will provide crayon, charcoal and pencils for sketching classes.

On the last day, I propose that those participants who want to work on a larger canvas can purchase a Montmartre canvas from me at cost price (eg 60x90cm canvas would be approx. \$40).

Approximate cost of materials \$200 - \$250 depending on what you already have in your artworks collection.

*Please note that these costs are **approximate**, and depend on factors such as quantity, quality etc*

N.B. It is advisable to mark your equipment for easy identification.
