

2023 McGregor Summer Students' Materials List

Workshop: Unlocking the Artist Within

Tutor: David Hinchliffe

Equipment and Materials

CANVASES/PAPER/CARDBOARD

- participants can choose whatever paper/cardboard/board or canvas they wish. We will have 2 sessions (a morning & an afternoon) using a live model for those who choose to do so and it may be useful to have cheaper material for those sessions.
- I estimate we'll do an average of 1.5 paintings a day. I recommend approx 10 canvases around these sizes: 40x50cm or 60 x 60cm and some larger canvases (nothing over 120x90cm)
- You can buy frames complete with 40x50 cm canvases at [Kmart](#) for ridiculously cheap prices. Canvases are also available at the Art Shed in Brisbane, I recommend deep edged gallery standard canvas or student standard canvases.

PAINTS

- 1 x 250ml tub of the following colours
 - The Art Shed has 250ml 'Dimensions' tubs of paint for approx. \$15 each. You can also get the 100ml Dimensions tubes very cheaply. If you've got plenty of your own paints and brushes, please just bring those. I'm not fussy!
 - Brilliant red
 - Yellow deep
 - Orange
 - Lemon yellow
 - Olive green
 - Light green
 - Hookers deep green
 - Purple
 - Ultramarine Blue
 - Monastral Cerulean
 - Pale Turquoise
 - Black
 - Titanium White (probably prefer Atelier as Montmartre white is too thin)

BRUSHES

Participants are encouraged to bring their own favourite brushes. However, if you wish to buy new, they are available for approximately:

- Brand - ROYMAC "Future Brush Round" (made in India) - Size # 2, 4, 6, 8 and 10.
- They're not expensive and should be available in Art Shed in Brisbane or at Officeworks.
- I suggest at least two of each size.

Notes

- Participants can either bring their own materials from home/studio if they have them or
 - if they want to buy them especially for this course, then total cost would be:

- canvases - between \$80-200 depending on which canvases from above list you choose.
- paints - \$121 if you choose 250ml Montmartre paint tubs
- brushes - approx. \$30

For the life-modelling sketching classes, I will have a stock of paper/cardboard available for participants at approx. \$2 per sheet. I will provide crayon, charcoal and pencils for sketching classes.

On the last day, I propose that those participants who want to work on a larger canvas can purchase a Montmartre canvas from me at cost price (eg 60x90cm canvas would be approx. \$40).

Approximate cost of materials \$200 - \$250 depending on what materials you already have.

*Please note that these costs are **approximate**, and depend on factors such as quantity, quality etc*

N.B. It is advisable to mark your equipment for easy identification.

If you have a question that is specifically about the materials – please contact your tutor on david.hinchliffe@ecn.net.au

Bring a Coffee mug –regular black tea and coffee, full cream milk and sugar **are** supplied by the School. **should you require decaf, herbal teas, other milk types or artificial sweeteners please bring your own supplies. We will have 'tea rooms' set up around campus with small fridges that you can keep your own supplies in.*

Workshop runs 8.30am to 4pm. Lunch is available for purchase on campus.
